- (2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the corporation's final adjusted gross income tax liability for such taxable year.

The transfer or payment shall be made on or before the date the tax is due.

(g) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

SECTION 16. IC 6-3-4-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009]: Sec. 8. (a) Except as provided in subsection (d) or (l), every employer making payments of wages subject to tax under this article, regardless of the place where such payment is made, who is required under the provisions of the Internal

Revenue Code to withhold, collect, and pay over income tax on wages paid by such employer to such employee, shall, at the time of payment of such wages, deduct and retain therefrom the amount prescribed in withholding instructions issued by the department. The department shall base its withholding instructions on the adjusted gross income tax rate for persons, on the total rates of any income taxes that the taxpayer is subject to under IC 6-3.5, and on the total amount of exclusions the taxpayer is entitled to under IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4). **However, the withholding instructions on the adjusted gross income of a nonresident alien (as defined in Section 7701 of the Internal Revenue Code) are to be based on applying not more than one (1) withholding exclusion, regardless of the total number of exclusions that IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4) permit the taxpayer to apply on the taxpayer's final return for the taxable year.** Such employer making payments of any wages:

(1) shall be liable to the state of Indiana for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from the individual's wages and paid over in compliance or intended compliance with this section; and

(2) shall make return of and payment to the department monthly of the amount of tax which under this article and IC 6-3.5 the employer is required to withhold.

(b) An employer shall pay taxes withheld under subsection (a) during a particular month to the department no later than thirty (30) days after the end of that month. However, in place of monthly reporting periods, the department may permit an employer to report and pay the tax for:

(1) a calendar year reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed ten dollars (\$10);

(2) a six (6) month reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed twenty-five dollars (\$25);

or

(3) a three (3) month reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed seventy-five dollars (\$75).

An employer using a reporting period (other than a monthly reporting period) must file the employer's return and pay the tax for a reporting period no later than the last day of the month immediately following the close of the reporting period. If an employer files a combined sales and withholding tax report, the reporting period for the combined report is the shortest period required under this section, section 8.1 of this chapter, or IC 6-2.5-6-1.

(c) For purposes of determining whether an employee is subject to taxation under IC 6-3.5, an employer is entitled to rely on the statement of an employee as to the employee's county of residence as represented by the statement of address in forms claiming exemptions for purposes of withholding, regardless of when the employee supplied the forms. Every employee shall notify the employee's employer within five (5)

1 days after any change in the employee's county of residence.

2 (d) A county that makes payments of wages subject to tax under this  
3 article:

4 (1) to a precinct election officer (as defined in IC 3-5-2-40.1); and

5 (2) for the performance of the duties of the precinct election  
6 officer imposed by IC 3 that are performed on election day;

7 is not required, at the time of payment of the wages, to deduct and  
8 retain from the wages the amount prescribed in withholding  
9 instructions issued by the department.

10 (e) Every employer shall, at the time of each payment made by the  
11 employer to the department, deliver to the department a return upon the  
12 form prescribed by the department showing:

13 (1) the total amount of wages paid to the employer's employees;

14 (2) the amount deducted therefrom in accordance with the  
15 provisions of the Internal Revenue Code;

16 (3) the amount of adjusted gross income tax deducted therefrom  
17 in accordance with the provisions of this section;

18 (4) the amount of income tax, if any, imposed under IC 6-3.5 and  
19 deducted therefrom in accordance with this section; and

20 (5) any other information the department may require.

21 Every employer making a declaration of withholding as provided in this  
22 section shall furnish the employer's employees annually, but not later  
23 than thirty (30) days after the end of the calendar year, a record of the  
24 total amount of adjusted gross income tax and the amount of each  
25 income tax, if any, imposed under IC 6-3.5, withheld from the  
26 employees, on the forms prescribed by the department.

27 (f) All money deducted and withheld by an employer shall  
28 immediately upon such deduction be the money of the state, and every  
29 employer who deducts and retains any amount of money under the  
30 provisions of this article shall hold the same in trust for the state of  
31 Indiana and for payment thereof to the department in the manner and  
32 at the times provided in this article. Any employer may be required to  
33 post a surety bond in the sum the department determines to be  
34 appropriate to protect the state with respect to money withheld pursuant  
35 to this section.

36 (g) The provisions of IC 6-8.1 relating to additions to tax in case of  
37 delinquency and penalties shall apply to employers subject to the  
38 provisions of this section, and for these purposes any amount deducted  
39 or required to be deducted and remitted to the department under this  
40 section shall be considered to be the tax of the employer, and with  
41 respect to such amount the employer shall be considered the taxpayer.  
42 In the case of a corporate or partnership employer, every officer,  
43 employee, or member of such employer, who, as such officer,  
44 employee, or member is under a duty to deduct and remit such taxes  
45 shall be personally liable for such taxes, penalties, and interest.

46 (h) Amounts deducted from wages of an employee during any  
47 calendar year in accordance with the provisions of this section shall be  
48 considered to be in part payment of the tax imposed on such employee  
49 for the employee's taxable year which begins in such calendar year, and  
50 a return made by the employer under subsection (b) shall be accepted  
51 by the department as evidence in favor of the employee of the amount

so deducted from the employee's wages. Where the total amount so deducted exceeds the amount of tax on the employee as computed under this article and IC 6-3.5, the department shall, after examining the return or returns filed by the employee in accordance with this article and IC 6-3.5, refund the amount of the excess deduction. However, under rules promulgated by the department, the excess or any part thereof may be applied to any taxes or other claim due from the taxpayer to the state of Indiana or any subdivision thereof. No refund shall be made to an employee who fails to file the employee's return or returns as required under this article and IC 6-3.5 within two (2) years from the due date of the return or returns. In the event that the excess tax deducted is less than one dollar (\$1), no refund shall be made.

(i) This section shall in no way relieve any taxpayer from the taxpayer's obligation of filing a return or returns at the time required under this article and IC 6-3.5, and, should the amount withheld under the provisions of this section be insufficient to pay the total tax of such taxpayer, such unpaid tax shall be paid at the time prescribed by section 5 of this chapter.

(j) Notwithstanding subsection (b), an employer of a domestic service employee that enters into an agreement with the domestic service employee to withhold federal income tax under Section 3402 of the Internal Revenue Code may withhold Indiana income tax on the domestic service employee's wages on the employer's Indiana individual income tax return in the same manner as allowed by Section 3510 of the Internal Revenue Code.

(k) To the extent allowed by Section 1137 of the Social Security Act, an employer of a domestic service employee may report and remit state unemployment insurance contributions on the employee's wages on the employer's Indiana individual income tax return in the same manner as allowed by Section 3510 of the Internal Revenue Code.

(l) The department shall adopt rules under IC 4-22-2 to exempt an employer from the duty to deduct and remit from the wages of an employee adjusted gross income tax withholding that would otherwise be required under this section whenever:

- (1) an employee has at least one (1) qualifying child, as determined under Section 32 of the Internal Revenue Code;
- (2) the employee is eligible for an earned income tax credit under IC 6-3.1-21;
- (3) the employee elects to receive advance payments of the earned income tax credit under IC 6-3.1-21 from money that would otherwise be withheld from the employee's wages for adjusted gross income taxes; and
- (4) the amount that is not deducted and remitted is distributed to the employee, in accordance with the procedures prescribed by the department, as an advance payment of the earned income tax credit for which the employee is eligible under IC 6-3.1-21.

The rules must establish the procedures and reports required to carry out this subsection.

(m) A person who knowingly fails to remit trust fund money as set forth in this section commits a Class D felony.

SECTION 21. IC 6-6-5-9, AS AMENDED BY P.L.184-2007, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) The bureau, in the administration and collection of the annual license excise tax imposed by this chapter, may utilize the services and facilities of license branches operated under IC 9-16 in its administration of the motor vehicle registration laws of the state of Indiana. The license branches may be so utilized in accordance with such procedures, in such manner, and to such extent as the bureau shall deem necessary and proper to implement and effectuate the administration and collection of the excise tax imposed by this chapter. However, in the event the bureau shall utilize such license branches in the collection of excise tax, the following apply:

- (1) The excise taxes so collected by each license branch, less any refunds made by the license branch, shall be deposited daily by the license branch in a ~~separate account~~ in a depository duly designated by the state board of finance. The county treasurer of the county for which the collections are due may withdraw funds from the account at least two (2) times each week. The county treasurer is responsible for the safekeeping and investment of money withdrawn by the county treasurer under this subsection. Before the eleventh day of the month following the month in which the collections are made, the bureau of motor vehicles shall report the excise taxes collected and refunds made outside the county to the county treasurer of the county to which the

collections are due and the refunds apply. The bureau shall forward a copy of this excise tax report to the county auditor of the county.

(2) A license branch shall each week forward a report to the county auditor of the county to whom the collections are due, showing the excise tax collected on each vehicle, each refund on a vehicle, and a copy of each registration certificate for all collections and refunds within the county.

(3) Each license branch shall also report to the bureau all excise taxes collected and refunds made under this chapter in the same manner and at the same time as registration fees are reported.

(4) Premiums for insurance to protect the funds collected by license branches against theft shall be paid by the bureau, except that the bureau may issue blanket coverage for all branches at its discretion. At the discretion of the bureau, the bureau may:

(A) self-insure to cover the activities of the license branches; or

(B) rather than purchase a bond or crime policy for each branch, purchase a single blanket bond or crime insurance policy endorsed to include faithful performance to cover all branches.

(5) If the services of a license branch are used by the bureau in the collection of the excise tax imposed by this chapter, the license branch shall collect the service charge prescribed under IC 9-29 for each vehicle registered upon which an excise tax is collected by that branch.

(6) If the excise tax imposed by this chapter is collected by the department of state revenue, the money collected shall be deposited in the state general fund to the credit of the appropriate county and reported to the bureau of motor vehicles on the first working day following the week of collection. Except as provided in subdivision (7), any amount collected by the department which represents interest or a penalty shall be retained by the department and used to pay its costs of enforcing this chapter.

(7) This subdivision applies only to interest or a penalty collected by the department of state revenue from a person who:

(A) fails to properly register a vehicle as required by IC 9-18 and pay the tax due under this chapter; and

(B) during any time after the date by which the vehicle was required to be registered under IC 9-18 displays on the vehicle a license plate issued by another state.

The total amount collected by the department that represents interest or a penalty, minus a reasonable amount determined by the department to represent its administrative expenses, shall be deposited in the state general fund for the credit of the county in which the person resides. The amount shall be reported to the bureau of motor vehicles on the first working day following the week of collection.

The bureau may contract with a bank card or credit card vendor for acceptance of bank or credit cards.

that have been credited to the county under subsection (a). There is appropriated from the state general fund the amount necessary to make the distributions required by this subsection. The county auditor shall apportion and distribute the delinquent tax distributions to the taxing units in the county at the same time and in the same manner as excise taxes are apportioned and distributed under section 10 of this chapter.

(d) The commissioner of insurance shall prescribe the form of the bonds or crime policies required by this section.

- (2) the age of the recreational vehicle or truck camper.

(b) If a person who owns a recreational vehicle or truck camper is entitled to an ad valorem property tax assessed valuation deduction under IC 6-1.1-12-13, IC 6-1.1-12-14, IC 6-1.1-12-16, or IC 6-1.1-12-17.4 in a year in which a tax is imposed by this chapter and any part of the deduction is unused after allowance of the deduction on real property and personal property owned by the person, the person is entitled to a credit that reduces the annual tax imposed by this chapter. 48	(d) Each recreational vehicle or truck camper shall be taxed as					
49	a recreational vehicle or truck camper in its first year of					
50	manufacture throughout the calendar year in which a recreational					
51	vehicle or truck camper of that make and model is first offered for					

1 sale in Indiana. However, a recreational vehicle or truck camper  
 2 of a make and model first offered for sale in Indiana after August  
 3 1 of any year continues to be taxed as a recreational vehicle or  
 4 truck camper in its first year of manufacture until the end of the  
 5 calendar year following the year in which it is first offered for sale.  
 6 Thereafter, the recreational vehicle or truck camper shall be  
 7 considered to have aged one (1) year as of January 1 of each year.

8 **Sec. 14. (a)** Except as otherwise provided in this chapter, the tax  
 9 imposed on a recreational vehicle by this chapter is payable for  
 10 each registration year by the owner with respect to a recreational  
 11 vehicle required to be registered for the registration year as  
 12 provided in the state motor vehicle laws. Except as provided in  
 13 section 15 of this chapter, the tax is due on or before the regular  
 14 annual registration date in each year on or before which the owner  
 15 is required under the state motor vehicle registration laws to  
 16 register vehicles. The tax shall be paid to the bureau at the time the  
 17 recreational vehicle is registered by the owner as provided in the  
 18 state motor vehicle registration laws. A recreational vehicle subject  
 19 to taxation under this chapter shall be registered by the owner as  
 20 being taxable in the county of the owner's residence. The payment  
 21 of the tax imposed by this chapter is a condition to the right to  
 22 register or reregister the recreational vehicle and is in addition to  
 23 all other conditions prescribed by law.

24 **(b)** The tax imposed on a truck camper by this chapter is due on  
 25 or before the annual registration date in each year on or before  
 26 which the owner is required under the state motor vehicle  
 27 registration laws to register vehicles. The tax on the truck camper  
 28 must be paid to the bureau. A truck camper subject to taxation  
 29 under this chapter is taxable in the county of the owner's residence.

30 **(c)** A voucher from the department of state revenue showing  
 31 payment of the tax imposed by this chapter may be accepted by the  
 32 bureau instead of a payment under subsection (a).

33 **Sec. 15. (a)** This section applies only to recreational vehicles.

34 **(b)** With respect to a recreational vehicle that has been  
 35 acquired, has been brought into Indiana, or for any other reason  
 36 becomes subject to registration after the regular annual  
 37 registration date in the year on or before which the owner of the  
 38 recreational vehicle is required under the state motor vehicle  
 39 registration laws to register vehicles, the tax imposed by this  
 40 chapter is due and payable at the time the recreational vehicle is  
 41 acquired, is brought into Indiana, or otherwise becomes subject to  
 42 registration. The amount of tax to be paid by the owner for the  
 43 remainder of the year shall be reduced by ten percent (10%) for  
 44 each full calendar month that has elapsed since the regular annual  
 45 registration date in the year fixed by the state motor vehicle  
 46 registration laws for annual registration by the owner. The tax  
 47 shall be paid at the time of the registration of the recreational  
 48 vehicle.

49 **(c)** If a recreational vehicle is acquired, is brought into Indiana,  
 50 or for any other reason becomes subject to registration after  
 51 January 1 of any year, the owner may pay the applicable

1 registration fee on the recreational vehicle as provided in the state  
 2 motor vehicle registration laws and may pay any excise tax due on  
 3 the recreational vehicle for the remainder of the annual  
 4 registration year and simultaneously register the recreational  
 5 vehicle and pay the applicable registration fee and the excise tax  
 6 due for the next succeeding annual registration year.

7 (d) Except as provided in subsection (h), a reduction in the  
 8 applicable annual excise tax may not be allowed to an Indiana  
 9 resident applicant upon registration of a recreational vehicle that  
 10 was owned by the applicant on or before the first day of the  
 11 applicant's annual registration period. A recreational vehicle that  
 12 is owned by an Indiana resident applicant and that was located in  
 13 and registered for use in another state during the same calendar  
 14 year is entitled to the same reduction when registered in Indiana.

15 (e) The owner of a recreational vehicle who sells the recreational  
 16 vehicle in a year in which the owner has paid the tax imposed by  
 17 this chapter shall receive a credit equal to the remainder of:

- 18 (1) the tax paid for the recreational vehicle; minus
- 19 (2) ten percent (10%) for each full or partial calendar month
- 20 that has elapsed in the owner's annual registration year
- 21 before the date of the sale.

22 The credit shall be applied to the tax due on any other recreational  
 23 vehicle purchased or subsequently registered by the owner in the  
 24 owner's annual registration year. If the credit is not fully used and  
 25 the amount of the credit remaining is at least four dollars (\$4), the  
 26 owner is entitled to a refund in the amount of the unused credit.  
 27 The owner must pay a fee of three dollars (\$3) to the bureau to  
 28 cover costs of providing the refund, which may be deducted from  
 29 the refund. The bureau shall issue the refund. The bureau shall  
 30 transfer three dollars (\$3) of the fee to the bureau of motor vehicles  
 31 commission to cover the commission's costs in processing the  
 32 refund. To claim the credit and refund provided by this subsection,  
 33 the owner of the recreational vehicle must present to the bureau  
 34 proof of sale of the recreational vehicle.

35 (f) Subject to the requirements of subsection (g), if a  
 36 recreational vehicle is destroyed in a year in which the owner has  
 37 paid the tax imposed by this chapter and the recreational vehicle  
 38 is not replaced by a replacement vehicle for which a credit is issued  
 39 under this section, the owner is entitled to a refund in an amount  
 40 equal to ten percent (10%) of the tax paid for each full calendar  
 41 month remaining in the owner's annual registration year after the  
 42 date of destruction, but only upon presentation or return to the  
 43 bureau of the following:

- 44 (1) A request for refund on a form furnished by the bureau.
- 45 (2) A statement of proof of destruction on an affidavit
- 46 furnished by the bureau.
- 47 (3) The license plate from the recreational vehicle.
- 48 (4) The registration from the recreational vehicle.

49 However, the refund may not exceed ninety percent (90%) of the  
 50 tax paid on the destroyed recreational vehicle. The amount shall be  
 51 refunded by a warrant issued by the auditor of the county that

received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of the excise tax collections. For purposes of this subsection, a recreational vehicle is considered destroyed if the cost of repair of damages suffered by the recreational vehicle exceeds the recreational vehicle's fair market value.

(g) To claim a refund under subsection (f) for a recreational vehicle that is destroyed, the owner of the recreational vehicle must present to the bureau a valid registration for the recreational vehicle within ninety (90) days after the date that the recreational vehicle is destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

(h) If the name of the owner of a recreational vehicle is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner for the recreational vehicle shall be adjusted as follows:

(1) If the name change requires the owner to register sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:

(A) ten percent (10%) of the owner's last preceding annual excise tax liability; multiplied by

(B) the number of full calendar months beginning after the owner's new regular annual registration month and ending before the next succeeding regular annual registration month that is based on the owner's former name.

(2) If the name change requires the owner to register later than the owner would have been required to register if there had been no name change, the recreational vehicle is subject to excise tax for the period beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month in the amount of the product of:

(A) ten percent (10%) of the owner's excise tax liability computed as of the time the owner would have been required to register if there had been no name change; multiplied by

(B) the number of full calendar months beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month.

**Sec. 16. (a)** This section applies only to truck campers.

(b) With respect to a truck camper that has been acquired, has been brought into Indiana, or for any other reason becomes subject to taxation after the regular annual registration date in the year on or before which the owner of the truck camper is required under the state motor vehicle registration laws to register vehicles, the tax imposed by this chapter is due and payable at the time the truck camper is acquired, is brought into Indiana, or otherwise becomes

subject to taxation under this chapter. The amount of tax to be paid by the owner for the remainder of the year shall be reduced by ten percent (10%) for each full calendar month that has elapsed since the regular annual registration date in the year fixed by the state motor vehicle registration laws for annual registration by the owner. The tax shall be paid within thirty (30) days after the date on which the truck camper is acquired, is brought into Indiana, or otherwise becomes subject to taxation under this chapter.

(c) If a truck camper is acquired, is brought into Indiana, or for any other reason becomes subject to taxation under this chapter after January 1 of any year, the owner may pay any excise tax due on the truck camper for the remainder of the annual registration year and simultaneously pay the excise tax due for the next succeeding annual registration year.

(d) The owner of a truck camper who sells the truck camper in a year in which the owner has paid the tax imposed by this chapter shall receive a credit equal to the remainder of:

- (1) the tax paid for the truck camper; reduced by
- (2) ten percent (10%) for each full or partial calendar month that has elapsed in the owner's annual registration year before the date of the sale.

The credit shall be applied to the tax due on any other truck camper acquired by the owner in the owner's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover the costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer three dollars (\$3) of the fee to the bureau of motor vehicles commission to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the truck camper must present to the bureau proof of sale of the truck camper.

(e) Subject to the requirements of subsection (f), if a truck camper is destroyed in a year in which the owner has paid the tax imposed by this chapter and the truck camper is not replaced by a replacement truck camper for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to ten percent (10%) of the tax paid for each full calendar month remaining in the owner's annual registration year after the date of destruction, but only upon presentation or return to the bureau of the following:

- (1) A request for refund on a form furnished by the bureau.
- (2) A statement of proof of destruction on an affidavit furnished by the bureau.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed truck camper. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of

the excise tax collections. For purposes of this subsection, a truck camper is considered destroyed if the cost of repair of damages suffered by the truck camper exceeds the truck camper's fair market value.

(f) To claim a refund under subsection (e) for a truck camper that is destroyed, the owner of the truck camper must present to the bureau a valid receipt for the excise tax paid under this chapter on the truck camper within ninety (90) days after the date that the truck camper is destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

(g) If the name of the owner of a truck camper is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner for the truck camper shall be adjusted as follows:

(1) If the name change requires the owner to register a motor vehicle sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:

(A) ten percent (10%) of the owner's last preceding annual excise tax liability; multiplied by

(B) the number of full calendar months beginning after the owner's new regular annual registration month and ending before the next succeeding regular annual registration month that is based on the owner's former name.

(2) If the name change requires the owner to register a motor vehicle later than the owner would have been required to register if there had been no name change, the truck camper is subject to excise tax for the period beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month in the amount of the product of:

(A) ten percent (10%) of the owner's excise tax liability computed as of the time the owner would have been required to register a motor vehicle if there had been no name change; multiplied by

(B) the number of full calendar months beginning after the month in which the owner would have been required to register a motor vehicle if there had been no name change and ending before the owner's new regular annual registration month.

Sec. 17. (a) This section applies only to recreational vehicles.

(b) The owner of a recreational vehicle registered with the bureau is entitled to a refund of taxes paid under this chapter if, after the owner's regular registration date, the owner:

(1) registers the recreational vehicle for use in another state; and

(2) pays tax for use of the recreational vehicle to another state for the same period for which the tax was paid under this chapter.

(c) The refund provided under subsection (b) is equal to:

(1) the annual license excise tax paid for use of the recreational vehicle by the owner of the vehicle for the year; minus

(2) ten percent (10%) of the annual license excise tax paid for use of the recreational vehicle for each full or partial calendar month beginning after the date the annual license excise tax was due and ending before the date the owner registered the recreational vehicle for use in another state.

(d) To claim the refund provided by this section, the owner of the recreational vehicle must provide the bureau with:

(1) a request for a refund on a form furnished by the bureau; and

(2) proof that a tax described in subsection (b)(2) was paid.

**Sec. 18. (a) This section applies only to truck campers.**

(b) The owner of a truck camper is entitled to a refund of taxes paid under this chapter if, after the owner's regular vehicle registration date:

(1) the owner moves and registers the truck on which the truck camper is installed for use in another state;

(2) the owner pays tax for use of the truck camper to another state for the same period for which the tax was paid under this chapter; and

(3) the truck camper is located and used in the other state for the same period for which the tax was paid under this chapter.

(c) The refund provided under subsection (b) is equal to:

(1) the annual excise tax paid for use of the truck camper by the owner of the truck camper for the year; minus

(2) ten percent (10%) of the annual excise tax paid for use of the truck camper for each full or partial calendar month beginning after the date the annual excise tax was due and ending before the date the owner registered the truck for use in another state.

**Sec. 19. (a) To claim a credit or refund, or both, under this chapter, a person must provide a sworn statement to the bureau or to an agent branch of the bureau that the person is entitled to the credit or refund, or both, claimed by the person.**

(b) The bureau may inspect records of a person claiming a credit or refund, or both, under this chapter to determine if a credit or refund, or both, were properly allowed against the excise tax imposed on a recreational vehicle or truck camper owned by the person.

(c) If the bureau determines that a credit or refund, or both, were improperly allowed for a recreational vehicle or truck camper, the person who claimed the credit or refund, or both, shall pay the bureau an amount equal to the credit or refund, or both, improperly allowed to the person plus a penalty of ten percent (10%) of the credit or refund, or both, improperly allowed. The tax collected under this subsection shall be paid to the county treasurer of the county in which the person resides. However, a penalty

collected under this subsection shall be retained by the bureau.

Sec. 20. (a) The bureau shall include on all registration forms for recreational vehicles suitable spaces for the applicant's Social Security number or federal tax identification number, the amount of the registration fee, the amount of excise tax, the amount of a credit, if any, provided under section 13 of this chapter, and the total amount of payment due on account of the applicable registration fees and excise taxes upon the registration of the recreational vehicle. The forms must include spaces for showing the county, city or town, township, and address of the owner's residence.

(b) The bureau shall list on all registration forms for recreational vehicles the amount of registration fees and taxes due. In addition, the bureau shall prepare by December 1 of each year a schedule showing the excise tax payable on each make and model of recreational vehicle or truck camper.

Sec. 21. (a) The bureau, in the administration and collection of the tax imposed by this chapter, may use the services and facilities of license branches operated under IC 9-16 in the bureau's administration of the state motor vehicle registration laws. The license branches may be used in the manner and to the extent the bureau considers necessary and proper to implement and effectuate the administration and collection of the excise tax imposed by this chapter. However, if the bureau uses the license branches in the collection of excise taxes, the following apply:

(1) The excise taxes collected by each license branch, less any refunds made by the license branch, shall be deposited daily by the license branch in a separate account in a depository designated by the state board of finance. The county treasurer of the county for which the collections are due may withdraw funds from the account at least two (2) times each week. The county treasurer is responsible for the safekeeping and investment of money withdrawn by the county treasurer under this subdivision. Before the eleventh day of the month following the month in which the collections are made, the bureau shall report the excise taxes collected and refunds made outside the county to the county treasurer of the county to which the collections are due and the refunds apply. The bureau shall forward a copy of the excise tax report to the county auditor of the county.

(2) A license branch shall each week forward a report to the county auditor of the county to which the collections are due, showing the excise tax collected by the license branch on each recreational vehicle or truck camper, each refund made by the license branch on a recreational vehicle or truck camper, and a copy of each registration certificate for all collections and refunds of excise tax by the license branch within the county.

(3) Each license branch shall report to the bureau all excise taxes collected and refunds made by the license branch under this chapter in the same manner and at the same time as

1 registration fees are reported.

2 (4) Premiums for insurance to protect the funds collected by  
3 license branches against theft shall be paid by the bureau,  
4 except that the bureau may issue blanket coverage for all  
5 branches. The bureau may:

6 (A) self-insure to cover the activities of the license  
7 branches; or

8 (B) rather than purchase a bond or crime insurance policy  
9 for each branch, purchase a single blanket bond or crime  
10 insurance policy endorsed to include faithful performance  
11 to cover all branches.

12 (5) If the services of a license branch are used by the bureau  
13 in the collection of the excise tax imposed by this chapter, the  
14 license branch shall collect the service charge prescribed  
15 under IC 9-29 for each vehicle registered on which an excise  
16 tax is collected by that branch.

17 (6) If the excise tax imposed by this chapter is collected by the  
18 department of state revenue, the money collected shall be  
19 deposited in the state general fund to the credit of the  
20 appropriate county and reported to the bureau on the first  
21 working day following the week of collection. Except as  
22 provided in subdivision (7), money collected by the  
23 department that represents interest or a penalty shall be  
24 retained by the department and used to pay the department's  
25 costs of enforcing this chapter.

26 (7) This subdivision applies only to interest or a penalty  
27 collected by the department of state revenue from a person  
28 who:

29 (A) fails to properly register a recreational vehicle as  
30 required by IC 9-18 and pay the tax due under this  
31 chapter; and

32 (B) during any time after the date by which the  
33 recreational vehicle was required to be registered under  
34 IC 9-18 displays on the recreational vehicle a license plate  
35 issued by another state.

36 The total amount collected by the department of state revenue  
37 that represents interest or a penalty, minus a reasonable  
38 amount determined by the department to represent its  
39 administrative expenses, shall be deposited in the state general  
40 fund to the credit of the county in which the person resides.  
41 The amount shall be reported to the bureau on the first  
42 working day following the week of collection.

43 The bureau may contract with a bank card or credit card vendor  
44 for acceptance of bank cards or credit cards. However, if a bank  
45 card or credit card vendor charges a vendor transaction charge or  
46 discount fee, whether billed to the bureau or charged directly to  
47 the bureau's account, the bureau shall collect from a person using  
48 the card an official fee that may not exceed the highest transaction  
49 charge or discount fee charged to the bureau by bank card or  
50 credit card vendors during the most recent collection period. The  
51 fee may be collected regardless of retail merchant agreements

1 between the bank card and credit card vendors that may prohibit  
 2 such a fee. The fee is a permitted additional charge under  
 3 IC 24-4.5-3-202.

4 (b) On or before April 1 of each year, the bureau shall provide  
 5 to the auditor of state the amount of taxes collected under this  
 6 chapter for each county for the preceding year.

7 (c) On or before May 10 and November 10 of each year, the  
 8 auditor of state shall distribute to each county one-half (1/2) of:

9 (1) the amount of delinquent taxes; and

10 (2) any interest or penalty described in subsection (a)(7);  
 11 that have been credited to the county under subsection (a). There  
 12 is appropriated from the state general fund the amount necessary  
 13 to make the distributions required by this subsection. The county  
 14 auditor shall apportion and distribute the delinquent tax  
 15 distributions to the taxing units in the county at the same time and  
 16 in the same manner as excise taxes are apportioned and distributed  
 17 under section 22 of this chapter.

18 (d) The insurance commissioner shall prescribe the form of the  
 19 bonds or crime insurance policies required by this section.

20 Sec. 22. (a) The bureau shall establish procedures necessary for  
 21 the collection and proper accounting of the tax imposed by this  
 22 chapter. The necessary forms and records are subject to approval  
 23 by the state board of accounts.

24 (b) The county treasurer, upon receiving the excise tax  
 25 collections, shall place the collections into a separate account for  
 26 settlement at the same time as property taxes are accounted for  
 27 and settled in June and December of each year, with the right and  
 28 duty of the county treasurer and county auditor to make advances  
 29 before the time of final settlement of property taxes in the same  
 30 manner as provided in IC 5-13-6-3.

31 (c) The county auditor shall determine the total amount of  
 32 excise taxes collected under this chapter for each taxing unit in the  
 33 county. The amount collected shall be apportioned and distributed  
 34 among the respective funds of each taxing unit in the same manner  
 35 and at the same time as property taxes are apportioned and  
 36 distributed.

37 (d) The determination under subsection (c) shall be made from  
 38 copies of vehicle registration forms and receipts for excise taxes  
 39 paid on truck campers furnished by the bureau. Before the  
 40 determination, the county assessor shall, from copies of  
 41 registration forms and receipts, verify information pertaining to  
 42 legal residence of persons owning taxable recreational vehicles and  
 43 truck campers from the county assessor's records, to the extent the  
 44 verification can be made. The county assessor shall further identify  
 45 and verify from the assessor's records the taxing units within  
 46 which the persons reside.

47 (e) Verifications under subsection (d) shall be completed not  
 48 later than thirty (30) days after receipt of vehicle registration  
 49 forms and receipts by the county assessor. The county assessor  
 50 shall certify the information to the county auditor for the county  
 51 auditor's use when the information is checked and completed.

1       **Sec. 23.** The county auditor shall, from the copies of vehicle  
 2       registration forms and truck camper receipts furnished by the  
 3       bureau, verify and determine the total amount of excise taxes  
 4       collected under this chapter for each taxing unit in the county. The  
 5       bureau shall verify the collections reported by the branches and  
 6       provide the county auditor adequate and accurate audit  
 7       information, registration form information, truck camper receipts,  
 8       records, and materials to support the proper assessment,  
 9       collection, and refund of excise taxes under this chapter.

10       **Sec. 24.** The county auditor shall, not later than August 1 of a  
 11       year, furnish to the proper officer of each political subdivision an  
 12       estimate of the money to be distributed to the taxing units under  
 13       this chapter during the next calendar year. The budget of each  
 14       political subdivision must show the estimated amounts to be  
 15       received for each fund for which a property tax is proposed to be  
 16       levied.

17       **Sec. 25. (a)** An owner of a recreational vehicle who knowingly  
 18       registers the recreational vehicle without paying the tax required  
 19       by this chapter commits a Class B misdemeanor.

20       **(b)** An employee of the bureau or a branch manager or  
 21       employee of a license branch office who recklessly issues a  
 22       registration on any recreational vehicle without collecting the tax  
 23       required to be collected under this chapter with the registration  
 24       commits a Class B misdemeanor.

25       **Sec. 26.** The registration of a recreational vehicle registered  
 26       without payment of the tax imposed by this chapter is void. The  
 27       bureau shall take possession of the registration certificate, license  
 28       plate, and other evidence of registration until the owner pays the  
 29       delinquent taxes and an additional fee of ten dollars (\$10) to  
 30       compensate the bureau for performing the additional duties.

31       **Sec. 27.** In the administration and collection of the taxes  
 32       imposed by this chapter, the bureau may contract with a collection  
 33       agency that is authorized to collect and receive property taxes on  
 34       behalf of the county treasurer. A collection agency with which the  
 35       bureau contracts may collect on behalf of the bureau the taxes  
 36       imposed by this chapter and the registration fees and charges as  
 37       the bureau directs. A collection agency that contracts with the  
 38       bureau under this section shall comply with the requirements  
 39       concerning the collection of property taxes on behalf of county  
 40       treasurers and other requirements, including the posting of a bond,  
 41       as may be established by the bureau.

42       **Sec. 28. (a)** The tax imposed by this chapter is equal to an  
 43       average property tax rate of two dollars (\$2) on each one hundred  
 44       dollars (\$100) of taxable value.

45       **(b)** For purposes of limitations on indebtedness of political or  
 46       municipal corporations imposed by Article 13, Section 1 of the  
 47       Constitution of the State of Indiana, recreational vehicles and  
 48       truck campers subject to the tax under this chapter are considered  
 49       to be taxable property within each political or municipal  
 50       corporation where the owner resides.

51       **(c)** The assessed valuation of recreational vehicles and truck

campers subject to the tax under this chapter shall be determined by multiplying the amount of the tax by one hundred (100) and dividing the result by two dollars (\$2).

**Sec. 29.  22 riverfront development project area within the territorial  
 23 boundaries of the town. Notwithstanding any other law, all

 48 (b); and

(h) A taxpayer is not entitled to a refund with respect to an amended return filed by a taxpayer under this SECTION.

(i) This SECTION expires July 1, 2009.

SECTION 76. [EFFECTIVE JANUARY 1, 2003 (RETROACTIVE)] In enacting IC 6-1.1-3-23, the general assembly finds the following:

(1) The economy of northern Indiana has historically been heavily dependent upon:

(A) the domestic steel industry, particularly the integrated steel mill business, which produces steel from basic raw materials through blast furnace and related operations; and

(B) the oil refining and petrochemical industry.

(2) Northern Indiana is the only area of Indiana with integrated steelmaking facilities.

(3) During the last thirty (30) years the domestic steel industry has experienced significant financial difficulties. More than one-half (1/2) of the integrated steel mills in the United States were shut down or deintegrated, with the remainder requiring significant investment and the addition of new processes to make the facilities economically competitive with newer foreign and domestic steelmaking facilities and processes.

(4) The United States needs to protect the capacity of the oil refining and petrochemical industry. No oil refineries have been built in the United States since 1976.

(5) Given the economic conditions affecting older integrated steelmaking facilities, integrated steel mills claimed abnormal obsolescence in reporting the assessed value of equipment located at the integrated steelmaking facilities that began operations before 1970, thereby reporting the equipment's assessed value at far below thirty percent (30%) of the equipment's total cost (far below the "thirty percent (30%)

1 floor" value generally applicable to equipment exhibiting only  
 2 normal obsolescence under the current department of local  
 3 government finance rules).

4 (6) Current law existing before the effective date of this  
 5 SECTION obligates the taxpayers making abnormal  
 6 obsolescence claims to pay personal property taxes based only  
 7 on, and permits communities to determine property tax  
 8 budgets and rates based only on, the reported personal  
 9 property assessed values until the personal property appeals  
 10 are resolved. Consequently, as a result of abnormal  
 11 obsolescence claims, the property tax base of communities in  
 12 northern Indiana is severely reduced for an indeterminate  
 13 period (if not permanently). The prospect of future appeals  
 14 and their attendant problems on an ongoing basis must be  
 15 addressed.

16 (7) A new, optional method for valuing the equipment of  
 17 integrated steel mills and entities that are at least fifty percent  
 18 (50%) owned by an affiliate of an integrated steel mill  
 19 ("related entities") and the oil refining and petrochemical  
 20 industry in northern Indiana is needed. That optional method:

21 (A) recognizes the loss of value and difficulty in valuing  
 22 equipment at integrated steelmaking facilities and facilities  
 23 of the oil refining and petrochemical industry that  
 24 commenced operations decades ago and at the facilities of  
 25 related entities;

26 (B) recognizes that depreciable personal property used in  
 27 integrated steelmaking and in oil refinery or petrochemical  
 28 operations and by related entities is affected by different  
 29 economic and market forces than depreciable personal  
 30 property used in other industries and certain other  
 31 segments of the steel industry and therefore experiences  
 32 different amounts of obsolescence and depreciation; and

33 (C) can be used to simply and efficiently arrive at a value  
 34 commensurate with that property's age, use, obsolescence,  
 35 and market circumstances instead of the current method  
 36 and its potentially contentious and lengthy appeals. Such  
 37 an optional method would benefit the communities where  
 38 these older facilities are located.

39 (8) Such an optional method would be to authorize a fifth pool  
 40 in the depreciation schedule for valuing the equipment of  
 41 integrated steel mills, related entities, and the oil refining and  
 42 petrochemical industry that reflects all adjustments to the  
 43 value of that equipment for depreciation and obsolescence,  
 44 including abnormal obsolescence, which precludes any  
 45 taxpayer electing such a method from taking any other  
 46 obsolescence adjustment for the equipment, and which applies  
 47 only at the election of the taxpayer.

48 (9) The purpose for authorizing the Pool 5 method is to  
 49 provide a more simplified and efficient method for valuing the  
 50 equipment of integrated steel mills and the oil refining and  
 51 petrochemical industry that recognizes the loss of value and

unusual problems associated with the valuation of the equipment or facilities that began operations before 1970 in those industries in northern Indiana, as well as for valuing the equipment of related entities, to stabilize local property tax revenue by eliminating the need for abnormal obsolescence claims, and to encourage those industries to continue to invest in northern Indiana, thereby contributing to the economic life and well-being of communities in northern Indiana, the residents of northern Indiana, and the state of Indiana generally.

(10) The specific circumstances described in this section do not exist throughout the rest of Indiana.

SECTION 77. [EFFECTIVE JANUARY 1, 2009] IC 6-3-4-4.1 and IC 6-3-4-8, both as amended by this act, apply only to taxable years beginning after December 31, 2008.

SECTION 78. [EFFECTIVE JANUARY 1, 2009] IC 6-2.5-6-1, as amended by this act, applies to reporting periods beginning after December 31, 2008.

SECTION 79. [EFFECTIVE JANUARY 1, 2008 (RETROACTIVE)] IC 6-3-3-12, as amended by this act, applies to taxable years beginning after December 31, 2007.

SECTION 80. [EFFECTIVE JANUARY 1, 2009] IC 6-3-4-1.5, as amended by this act, applies to adjusted gross income tax returns filed after December 31, 2008.

(b) IC 6-8.1-10-3.5, as added by this act, applies to taxable years beginning after December 31, 2008.

SECTION 82. [EFFECTIVE UPON PASSAGE] (a) The commission on state tax and financing policy established under IC 2-5-3 shall study the feasibility of establishing a sales tax increment financing district in Warrick County to facilitate the establishment of a museum and education complex.

(b) Before November 1, 2008, the commission on state tax and financing policy shall report findings and make recommendations concerning the study topic described in subsection (a) in a final report to the legislative council in an electronic format under IC 5-14-6.

SECTION 83. [EFFECTIVE UPON PASSAGE] (a) This SECTION applies only in a county that contains a consolidated city.

(b) For a taxpayer's property taxes first due and payable in 2007, the county auditor or county treasurer may mail in the same envelope the following:

(1) A refund to the taxpayer authorized by P.L.234-2007, SECTION 300, and P.L.1-2008, SECTION 5.

(2) A reconciling statement for the taxpayer authorized under IC 6-1.1-22.5 or any other law.

(c) This SECTION expires January 1, 2010.

SECTION 84. An emergency is declared for this act.
